

Restricted access area

Unauthorised entry prohibited

Seabird and shorebird conservation

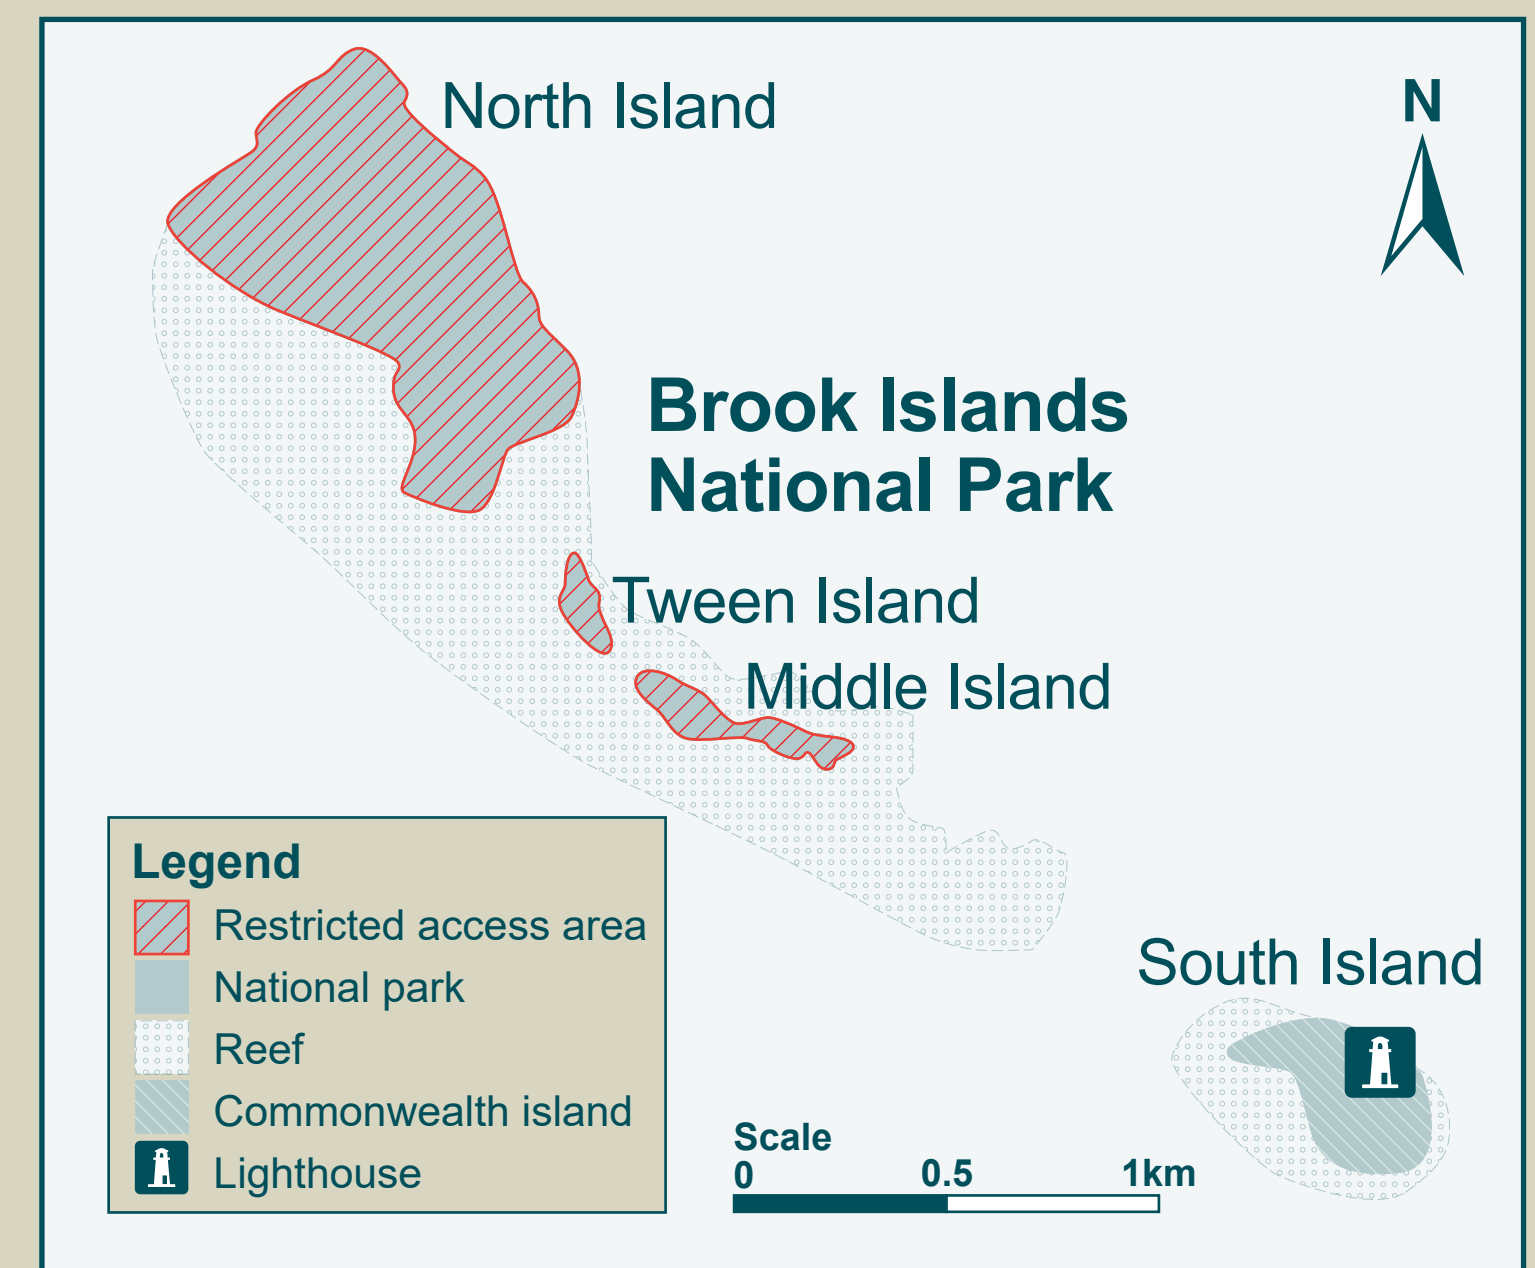

Entry to Brook Islands National Park (refer to map) is prohibited without a permit or written approval.

The closure protects nesting and roosting seabirds and shorebirds—which are easily disturbed—and their habitats. Nesting birds will leave their nests if disturbed—eggs and chicks are then vulnerable to heat, cold and predators, and can die quickly.

Contravention of a requirement of this notice is an offence against the *Nature Conservation Act 1992*.

Penalties apply. Maximum penalty: 120 penalty units.
