

# Getting to know Queensland National Parks

So, you've come to one of Queensland's amazing protected areas. Take some time to get to know more about where you're visiting. Discover the wonderful natural, cultural and shared heritage values it's protecting.

National park or forest name:

Traditional Country of:

Size of national park or forest:

What do you like most about this national park or forest?

## What's protected here?

What animals, plants and natural ecosystems are protected and what is the First Nations culture and history of this place?

## I can....

Find a quiet place to sit for 5 mins.

Let your senses become more in tune with what's around you.

Write or draw what you can **see**, **hear** and **smell**.

See?

Hear?

Smell?

**I spy...**

Draw or write some of  
the animals and plants  
that you see or hear  
during your visit.
